#### Comments.

- (1) The train possibly carried elements of the 205th Engr Bn of the 12th Gds Tank Div, which, together with engineer units of the Second Gds Recn Bn, moved for short term practices to Jerichow in late May 1952. [redacted] indicated that the shipment returned and was partially routed to Luedersdorf, probably for practices. See [redacted] An unconfirmed report indicated that the elements which remained in Luedersdorf were again entrained on 9 June. [redacted] 25X1
- (2) The tanks loaded probably were tanks of the 1st Recn Div or the 10th Gds Tank Bn which were in need of repair. 25X1
